Dedicated in memory of **MRS. RUTHY CHESIR** a pillar of faith, compassion, and altruism.

About ZSRF

The **Zichron Shlome Refuah Fund** is a non-profit organization, helping thousands of families who suffer from acute medical crisis for the past 25 years. ZSRF provides emotional, financial, and practical needs of the family whether its medical and travel expenses, utility bills, or housekeepers...Zichron Shlome is there discretely and confidentially. The thousands of families who have benefitted from their services can attest to the invaluable aid the Zichron Shlome Refuah Fund provides when confronting this horrific illness.

...As a physician who cares for children with cancer, I know the terrible impact the diagnosis and its treatment has on the patients and their families. Their burdens are enormous. They need all possible assistance to help them overcome their difficulties. Zichron Shlome Refuah Fund is a voluntary organization dedicated to help families in areas that are often overlooked by others. They fill a great need. I urge everyone to support their efforts in whatever way they can.
